Entry & Mud Room

Sunday, 2 September 2018 12:15 pm

- Make wall for mud room width to fit seat we find

Laundry

Sunday, 2 September 2018 12:03 pm

- Pull out cupboard with clothes bins
- Fold out ironing board
- No sink needed
- Tall broom cupboard on end
- Dryer to sit on bench above washing machine

Desk nook

Sunday, 2 September 2018 10:37 am

- Have builder build wall but we want to build in desk later
- Have partial from wall as well (off to the side). Use this area for server, switch, and test computers.

Bathroom

Sunday, 2 September 2018 10:37 am

- Big mirror that swings open to house medicine etc
- PowerPoint behind this mirror
- Shower to have two recessed shelves
- Build in bath with head (flat area height of bath to sit soap etc)
- Black taps/fittings

Kitchen

Sunday, 2 September 2018 10:33 am

- Would prefer higher benches
- Make back wall bench deep enough for air fryer and thermomix next to each other - 600
- Want a thin (possibly open) cabinet above air fryer
- Pantry not very deep
- Want window above splash back behind sink if not too expensive (doesn't have to be huge)
- Window on north side needs to open for meals to sit there
- Deep draws throughout, not cupboards
- No cupboards above bench at all

Windows

Sunday, 2 September 2018 10:30 am

- Want kitchen window to deck to be a stacker

Doors

Sunday, 2 September 2018 10:30 am

- Want stacking door to deck
-

Sunday, 2 September 2018 10:21 am

Power

- USB outlets
- Sensor light in hallway - to turn on low night lights
- Sensor light for car park and front door
